Thanks, Carol, for the update. I am in tomorrow morning. When do you think you can get the letter to Phil/I? Please remember Sandy Stavnes needs to review all our letters now too before they are signed. Thanks!

Subject: Updates on projects?

Hi Carol –

I'm reviewing the NEPA database report, and see that there are two projects that you have that are due 12/31 (1-70 East Hwy) and 1/3 (Knife River Indian Villages National Historic Site Arch. RMP).

I wanted to see if you anticipate comments on either of these projects, as I'm in tomorrow morning and Wed, and Phil is in Wed and Thurs of this week. Phil is out all next week, and I'm only in a day and a half, so wanted to see what the scoop is on whether we will have comments and our timing on comments.

Thanks!
